AMPLIFICATION OF PROFESSIONAL EXPERIENCE

KEY RESPONSIBILITIES

Interim Director – Child Development Laboratory, University of Missouri-Columbia

- Supervised classroom teachers and administrative staff
- Maintained state licensing and Missouri Voluntary Accreditation standards
- Supervised USDA Food Program
- Maintained parental involvement, including regular communication and organizing and leading Parent Advisory Council meetings
- Maintained enrollment of children in infant/toddler, preschool and school-age programs
- Organized staff professional development programs
- Worked with the fiscal officer to develop and maintain the program budget
- Worked with department faculty to coordinate graduate assistantships
- Established a relationship with service learning to place advance students within the lab for special projects

Instructor - Department of Human Development and Family Studies, University of Missouri – Columbia

- I teach a child development laboratory course three semesters a year.
- I am responsible for the development of the course, including syllabus, reading assignments and packet, lectures and class discussions, development and grading of student assignments
- I arrange for guest speakers.
- I supervise, evaluate, mentor and model for student teachers within laboratory classroom.
- I act as head teacher in a full time early childhood classroom serving 20 children and families. My responsibilities include planning and implementing curriculum for children ages 2 ½ to 5 years old, maintaining parent contacts, assessing and recording children's development and meeting state licensing and accreditation standards.

Workshop Developer for Project Reach – Columbia, Missouri

- Research and development of a series of workshops for Project Reach.
- Workshops developed for child care providers in the areas of: Art, Creativity and Self Expression, Dramatic Play and Blocks; Health and Safety; Language Development; Partnerships with Parents; Physical and Motor Development and Outdoor Play; Professionalism; Science and Math; Sensory Development; Social and Emotional Development; Special Needs children; Teacher-Child Interaction and Self Esteem; Toys, Equipment and Materials; Arranging the Learning Environment; Discipline and Guidance; Curriculum Development and Webbing; Program and Classroom Management; Child

Development; Cognitive Development; Music and Movement; Creative Development; Books, Literature and Language.

Assistant Executive Director, Community Nursery Schools, Columbia, Missouri.

- Assistant Executive Director for 3 non-profit, United Way funded child care centers serving ages 6 months to 9 years. Average enrollment: 131.

Supervisor - Hinkson Children's Center, Columbia, Missouri.

- Coordinated all aspects of a non-profit United Way funded child care center.
- Established and maintained center operational and personnel policies.
- Maintained state licensing regulations and Missouri Voluntary Accreditation standards.
- Aided in development and implementation of a pilot program with the Division of Family Services to help eligible families apply for and receive day care assistance.
- Applied for grant monies.
- Encouraged parental involvement, including organizing and leading a Parent Advisory Council.
- Maintained enrollment of children at two child care centers (total enrollment of 115 children).
- Organized staff professional development programs.
- Hired and supervised head and assistant teachers.
- Hired and supervised full-time cook and housekeeper.
- Evaluated all staff regularly.
- Supervised USDA food program for three centers.

Intern – Department of Human Development and Family Studies, University of Missouri – Columbia.

- Assisted in teaching Advanced Child Development Laboratory Course.
- Organized and led lectures and group discussions.
- Evaluated and graded student assignments and activity plans and observations.
- Formulated and graded exam questions.
- Supervised and evaluated students in a classroom setting..

Assistant Supervisor – Hinkson Children's Center, Columbia, Missouri.

- Acted as assistant supervisor in a non-profit United Way funded child care center.
- Supervised USDA food program for on site center.

Head Teacher – Hinkson Children's Center, Columbia, Missouri.

- Planned and implemented curriculum for children ages 2 to 3 ½ years old.
- Maintained parent contacts.
- Assessed and recorded children's development.
- Supervised student teachers and aides.

Research and Teaching Assistant – Department of Human Development & Family Studies, University of Missouri – Columbia.

- Assisted in administration of Child Development Laboratory
- Analyzed data.
- Researched and assisted in writing manuscripts related to child and family development.

Fun City, Columbia, Missouri.

- Invited to work with the City of Columbia to evaluate Fun City, a non-profit program for school-aged children in the summer.
- Utilized Missouri's Standards and Procedures for Voluntary Accreditation.
