A Picture is Worth a Thousand Words!
This lower right-hand corner will be a place we can post pictures of learning centers used with the ELLC. Please send me pictures (no children) that make you proud and we will see how many we can post.

The ELLC is now available in the 2nd Edition!
It is a 2-volume set for easier handling. You will want to purchase it sometime this year to switch over and get the latest and greatest from the ELLC! Be sure to find the free ELLC resources on the Dynamic Resources website too!

Quote of the Day:
“I am currently using ELLC. I love it and have had many parents and teachers who are very impressed with what we are accomplishing. It is definitely wonderful with my dual language speakers. I am loving this!”
