The Emerging Language & Literacy Curriculum

National Training Center for ELLC—
An Integrated Preschool Curriculum

WHAT TO DO WITH THAT ONE NEW TEACHER WHO NEEDS TRAINED!

"All of my teachers have been trained in the last couple of years but now I will have one new teacher who needs trained as soon as possible. What should I do?"

The ELLC is now available as an **on-line, self-paced, independent training** for those who cannot attend a face-to-face institute. Teachers will have up to 90 days to complete the training that is equivalent to the 3-day Institute! The registration form is on the ELLC website:

If your program has a partnership with Head Start, please contact me at ThornburgK@missouri.edu. I have a question for you!
