Para Training

The Para training held in Columbia was a great success. We are so glad the folks pictured below were able to attend!

We posed the following dilemma to you in August and you may be surprised at what has happened since then . . .

“All of my teachers have been trained in the last couple of years but now I will have a new teacher who needs trained and she cannot come to the days scheduled. What should I do?”

We have had 30 enroll in the on-line class and 21 have completed the course! See below for how to enroll in the on-line training.

Quote of the Day: What I liked best about the training:

“The ladies were very knowledgeable and passionate and were very respectful of our time. It’s long, but I needed every minute of the training!”
