## 2019-2020 School Year in Review

### BRIEFS and Scope and Continuum of Expectations:

Along with the briefs that were developed in the past (Fidelity; Low Incidence Disorders; Dual Language Learners; Typically Developing or Children At-Risk; Children with Disabilities), there is a new document related to the **Scope and Continuum of Expectations**. You can find all of these at <https://hdfs.missouri.edu/cfpr/ellc.html> under the “Additional Information about ELLC” link!

### UNIT 23: Kindergarten

Although you will not use it until this spring as your little ones are ready to transition to kindergarten, the authors developed a new unit for your use. At the same link as above, you will note that there is an introduction to the unit along with the unit itself, outcomes, and a family bulletin. Prior to you needing it, there will also be the Family Bulletin in Spanish! The introduction is attached to this email to read more about it!

### ELLC VIDEO VISITS:

We were pleased to hold 7 Video Visits in the Spring. We were thrilled to see over 100 participate and learn new strategies. We felt they were so successful that we may try to do some more! If you have ideas for additional ones, please email me. Thanks to the authors who presented: Shirley Patterson, Eva Trumbower, Dana McMillan and Jackie Thomas!

**Quote of the Day:** What I liked best about the training:

“I liked the video clips—it was easier to see what’s expected. The training was practical, pertinent and an overall excellent presentation.”
