ELLC Professional Development

Initial 3-day ELLC Training

On-line: Many teachers are taking the on-line ELLC training. Over 100 teachers have been trained on-line so far! The price goes up on July 1, 2021 to \$350. To find out more, go to: <https://hdfs.missouri.edu/cfpr/emerging-language-and-literacy-curriculum/>

In Person: If COVID is under control, we are planning on presenting the 3-day ELLC training in Columbia on July 19-21. In addition, if you want us to come to your district, just contact me.

Virtual Training (ZOOM)

Please email me if you are interested in a 6-hour virtual training on *Math/Science in the ELLC*. The cost would be \$130/person (or \$100/person if 5 or more teachers are from the same district). Would April or August be better for you? Or another time?

On-line Self-paced PD

To supplement our 3-day ELLC Training, we are considering building additional CANVAS trainings to take at your own pace. Please e-mail me if you might be interested in the following:

3-hour modules on the four Instructional Priorities for Literacy (print awareness, oral language, phonological awareness, alphabet knowledge). You would be able to choose to take 2 or 4 of the modules for your ongoing PD.

Quote of the Day: What I liked best about the training:

“I really liked the clarity of the content and the feeling that I understood the material and I really could implement the material.”
